1. Mr. W. H. Jackson, of the President's Committee Investigating Psychological Warfare, having viewed a CIA film on BW, informed Chairman Chipfield, of the House Foreign Affairs Committee that the Committee should see this film which was in CIA's possession and the Committee has asked that that be arranged. After coordination between [redacted]

man Saltonstall, of the Senate Armed Services Committee; that the Chairman had referred him to Senator Case, Subcommittee Chairman on Construction and Real Estate matters, and that Saltonstall had informed Case of what was involved; and that the project should be urgently approved. The Subcommittee has approved the project and Senator Saltonstall has signed off on it.
